

Pine Grove Schoolwide Math Challenge!

Dear Parents,

We would like to challenge all students to ***Hit the Button!*** **Hit the Button** is an interactive math game with quick fire questions on number bonds, times tables, doubling and halving, multiples, division facts and square numbers. The games which are against the clock challenge and develop a students' mental math skills.

Designed for 6 to 11 years old, the activities can be matched to appropriate mathematical ability. Regular use of Hit the Button can help students to sharpen their recall of vital number facts in a fun way.

Challenge for Kindergarten – 5th Grade Students:

K-2 – All students are challenged to learn their addition and subtraction facts (*Number Bonds on Hit the Button*).

Once 2nd grade students have completed all of their additions and subtraction facts, they can move to their multiplication facts if they need to be challenged.

3-5 – All students that have learned all addition and subtraction facts will be challenged to learn their multiplication and division facts (*Times Tables and Division Facts on Hit the Button*).

We will celebrate all students that have mastered their facts when we return with a quick schoolwide “Drop everything and Hit the Button”! Please encourage your child to practice their facts daily. Make it a family competition!

GOOD LUCK!
