

All students will have access to eLearning lessons through Microsoft Teams.

Option 1: Desktop Microsoft Teams (District Preferred Method)

- Click on the Teams icon on their desktop
- Log in with your full email address (username@R1student.org)
- Use your password that you use to log into your computer.

Option 2: Online Microsoft Teams

- Go to <https://www.teams.microsoft.com/>
- Log in with your full email address (username@R1student.org)
- Use your password that you use to log into your computer.
- Select TEAMS.

**If you are having trouble with your microphone or camera please try the Desktop version of teams.

**If you don't have an icon for teams on your desktop. Check your student menu for the team's icon. Click it. This should install the icon on your desktop.

***If You are still having problems call Hand Middle school:803-323-2947 or the District Help Desk: 803-231-7436
