Greetings HB Rhame Elementary Parents and Guardians,

I hope this letter finds you and your family well-rested and excited for the new school year! It is with great enthusiasm that I welcome you to a fantastic year of learning and growth. As we prepare to embark on this journey together, I am thrilled to introduce our theme for the 2024-2025 school year: "Unity in Learning." Together alongside students, teachers, staff, and school administrators we will "SOAR as ONE towards Excellence".

At HB Rhame Elementary, we believe that education is a collaborative effort that brings together students, parents, teachers, and the broader community. Our theme, "Unity in Learning," emphasizes the importance of working together to create a supportive and enriching educational environment. By fostering unity, we aim to empower each student to reach their full potential.

I am also excited to share with you that this year, we will continue to emphasize our core values through the Saints SOAR program. SOAR stands for Safe, Organized, Accountable, and Respectful. These values guide our students in becoming responsible and caring individuals both in and out of the classroom.
