

*Richland School District One
Southeast Middle School
731 Horrell Hill Road
Hopkins, South Carolina 29061*

August 30, 2021

Dear Parent/Guardian:

Your child is eligible to participate in the After-school Comprehensive Remediation Program. The purpose of the program is to provide academic assistance to identified students.

This program will be provided free of charge at Southeast Middle School. After school instruction will focus on individual student deficiencies and student progress will be shared with you each marking period. **The program will start September 21, 2021. The program will operate three days weekly - Tuesday, Wednesday, Thursday (except on early dismissal days). The program tentatively ends Thursday, May 6th, 2022. The program will run from 4:00 pm – 6:00 pm. There will be three (3) intersessions when the program will not operate.** Transportation and a dinner meal will be provided. Car riders are to be picked up at 6:00 pm.

We believe the After-school Comprehensive Remediation Program will be the most effective way to improve your child's academic performance. Therefore it is essential that your child attend daily. In order to offer all children an effective instructional program, early dismissals are discouraged. Additionally, all students are expected to follow the rules as outlined in the *Richland District One Code of Conduct* booklet. Failure to comply with these attendance and discipline policies will result in your child's dismissal from the program.

Please complete the attached registration by clicking [here](#). All forms by **September 3rd, 2021.**

If you have any questions, please contact me at **Mrs. Jamel W. Carter**. We look forward to a prosperous After-school Comprehensive Remediation Program school year.

Sincerely,

Jamel W. Carter

Comprehensive Remediation Program Lead Teacher
