Cheryl Pollock, Parent & Family Engagement Specialist

Southeast Middle School's learning community leadership, teachers, support staff, and families have written the compact on how the school and students will share the responsibility for improving student academic achievement and how school and parents will build and develop a partnership to assist students to achieve high standards according to the expectation of the state.

Southeast Middle School Staff will:

- Provide high quality standards-based curriculum and instruction in a supportive and effective learning environment that allows students to meet or exceed the state's academic achievement standards.
- Hold parent-teacher conferences during which parents and teachers will discuss their student's academic performance and achievement.

- Provide parents reasonable access to visit the school by inviting them to volunteer, observe classroom activities, and meet with staff members about their child's progress.
- Communicate regularly with families about their child's progress and how they can support.
- Offer materials and training to help parents work with their child at home to improve achievement and to foster parent engagement.
- Updated progress in Parent Portal in a timely manner.
- Collaborate with parents to develop School Engagement Policy and School Compact.
- Share school-wide Title One plan with parents annually.

As a parent, I will support my child's learning in the following ways:

- Assure that my child attends school regularly, is on-time, and prepared to learn with all assignments completed.
- Ensure that my child has their laptop fully charged and ready to use daily.
- Is familiar with skills my child is learning in all subject areas.
- Encourage my child to read daily.
- Expect my child to behave and act responsibly and respectfully.
- Visit my child's class to observe classroom instruction, volunteer, participate in class activities, and meet with my child's teachers to discuss my child's academic progress.

As a student of Southeast Middle School, I will:

- Come to school on time and be ready to learn.
- Complete all assignments daily.
- Study and prepare for all subjects regularly.
- Behave responsibly and treat everyone, including myself, with respect.
- Seek assistance when needed.
- Follow all classroom and school rules and expectations.
