RE: Kindergarten Enrollment for 2024-2025

In planning for the size of next year's kindergarten classes, it is so helpful to know how many new kindergarten students to expect.

If you have a child who will be entering our kindergarten this fall, please assist us by completing the information below. We will use your email address to send an invitation to an information session for **parents** of rising Rosewood kindergarten students on February 21 at 8:00 a.m.

Thanks for your help.
