

*"We are an essential part of the Village that will empower all of our children to achieve their fullest potential and dreams."*

August 2022,

Greetings Parents/ Guardians:

Edward E. Taylor receives Federal Title I funding. Title I is a federal program that provides opportunities for students served to acquire the knowledge and skills necessary to meet challenging state content standards. Resources are distributed to schools where needs are the greatest, in amounts sufficient to make a difference in the improvement of instruction.

Please know our goal is to ensure that high quality instruction takes place within our school on a daily basis. The School Title I plan is designed to enhance and improve academic achievement of our students and help sustain academic excellence in all grades.

Throughout the year, we will provide opportunities for students, parents, teachers and community members to contribute to the planning, implementation and evaluation of our school Title I plan.

Additionally, check your child's backpack on the first week of school for more information regarding our school Title I program. This packet will include documents for you to review at your convenience to keep you abreast of our school Title I plan implementation. Information pertaining to Title I activities and events will also be communicated on our school website and monthly newsletter.

If at any time you have questions or concerns about our school-wide Title I plan please do not hesitate to contact me at 803-343-2924 or by email at [Tiffany.brooks@richlandone.org](mailto:Tiffany.brooks@richlandone.org) .

Educationally Yours,

Tiffany Brooks
