

Destiny Library App

You may access ebooks and your summer reading through your phone or laptop and the school library catalog

Download the app

On your phone-go to the app store, either Google or Apple
Find the Destiny Discover App
from Destiny Follett

Download

OR- look for the icon on your school laptop

Select OUR Location

- You have to type in Hand Middle School in the blank for school and then select it.

You must log in to check out books

- Log in
 - Your username is your student number, either the eight digit one that looks like this: 10012345 or a five digit number that looks like: 55555
 - Your password is your six digit birthdate. So if you were born on Jan 1, 2001 your password would be 010101

Type in the Title of the book

- You may read immediately and without checking out if you are online.
- You may do a digital check out and download to your phone to save on data when you access in different places.
- Digital check out means you don't have to be online to read the book you have selected.
