

THE EXCEPTIONAL EIGHT

Welcome to the 2022-23 school year! We are pleased to take this opportunity to introduce ourselves and welcome your student to the Eighth Grade at W.A. Perry Middle School. We know that this school year will be very different from previous and we are excited for the new challenges that lie before us. With hard work and determination, this will be one of the best school years yet!

The Exceptional 8th Grade Team

The Exceptional 8th Grade Team is comprised of many hardworking and dedicated educators. Because we are educators, our first priority is our students. We will have an array of office hours that are dedicated to serving our students.

Skills to Help Your Child Be Successful

Organization is Key

- Make a checklist of items your child needs to take to school every day. This will include textbooks, library books, IDs, paper, AVID binder, and pencils. Pack backpacks at night to ensure all items are accounted for and are ready for school the next morning.
- Students must organize AVID binders daily, and they must have them in all content core classes. They should NOT be left at home NOR in a classroom for storage.

Time Management

- Track assignments on the monthly calendar in the Agenda books. Then check off each item as it is completed. Work backward from the due date of larger assignments and break them into nightly tasks.
- Help your child record how much time he/she spends on homework each week to figure out how to divide the time into manageable chunks.
- Designate a time for homework, and help your child stick to the schedule.
