Shandon Weekday School is a licensed preschool and school-age child development center and has served children and families of the Midlands since 1958. The school-age program serves children after school during the school year and in a full-day summer camp environment when school is not in session. Shandon Weekday School is conveniently located in the Shandon neighborhood.

New themed mini-camps are available as add-ons to the Summer Discovery Program or as stand-alone options for children not enrolled in the full-day program.

Campers in rising 5K through 8<sup>th</sup> grade will spark their imagination through outdoor activities, art, scavenger hunts, science experiments, field trips, and much more.

Whether you're looking for a 10-week summer program, a one week mini-camp, or a year-round program, we've got you covered.
