## WHAT ARE WE LEARNING?

**Reading:** We are learning to explain how a character's actions contribute to the plot of the story AND how illustrations help us learn more about a character, setting, and events in the story.

**Math:** We are learning to identify and represent fractions as part of a whole, set, or linear model AND partition 2-D shapes into equal parts.

**Social Sciences:** We are learning about life cycles of plants and animals AND about the early exploration of South Carolina.

## IMPORTANT DATES

2/1: National Read Aloud Day  
2/4: Campus Clean Up Day  
2/9: Last Day for V-Day Cards  
2/13: American Red Cross Blood Drive (1:00-6:00 pm)
