WHAT ARE WE LEARNING?

ELA: We are learning how to make connections between texts by identifying common themes, plots, character traits, or topics. We are learning how to describe characters by their traits, motivations, and feelings and how they contribute to the development of the plot.

Math: We are learning how to read, write, represent, compare, and round numbers up to 999,999.

Science: We are learning about the Scientific Method and how to conduct experiments.

Social Studies: We are learning how maps help us learn about places in our world.

IMPORTANT DATES
