WHAT ARE WE LEARNING?

Reading: We are learning to identify description, problem and solution, and question/answer text structures to locate information and gain meaning in texts.

Math: We are learning to use and explain the commutative, associative, and distributive properties of multiplication.

Science: We are learning about electricity and magnetism.

Social Studies: We are learning about exploration and migration including exploration of South Carolina.

IMPORTANT DATES

Jan. 9th-13th: STAR Testing

Jan. 12th : Report Cards Issued

Jan. 13th : Early Release

Jan. 16th : No School

REMINDERS

Students should be reading for at least 20 minutes every night in addition to homework. Please make sure you review the communication sheet nightly to ensure homework is being completed.

Please start working with your child on reviewing multiplication facts. They should be working on becoming fluent in 0s, 1s, 5s, and 10s facts. We will begin timed assessments within the next few weeks.
