

# Webber Elementary School

## Parent and Family Engagement Policy

2022-2023

*We are Webber Elementary, a 21st century community of learners.*

*At Webber Elementary, every day we practice critical thinking, communication, creativity and collaboration.*

*We are tomorrow's leaders!*

### School-Parent Compact

Parents will receive Webber's School-Parent Compact within the first 45 days of school. Title I information will be shared during the Annual Title I Meeting. Additionally, parents not in attendance will receive a copy of the School-Parent Compact. Copies of the document will be made available to parents. The School-Parent Compact will be made available in English and other languages as needed. Suggestions and comments for revisions will be taken into consideration by the PTO, SIC, and Title I Planning Committee during the Title I planning meeting.

### LEP and Disabled Parents

Webber Elementary School will provide accommodations for the participation of parents with Limited English Proficiency or with disabilities. Upon request, an interpreter will be provided. Please let a member of the leadership staff know ahead of time for accommodations needed.

### Building Parent & Family Engagement Capacity

Parents will be provided assistance to understanding performance standards, assessments, Title I, student progress and decisions relating to the education of their child in several ways. Parents are encouraged to attend all Parent and Family Engagement Activities such as but not limited to Family Curriculum Nights (Literacy Night and Math Night) or by scheduling a face-to-face, phone conference or virtual conference with their child's teacher and/or a member of the administrative team. Materials and training will be available to parents at the school during these events with other curriculum resources available at the school. Teachers and other staff will participate in professional development focused on how to work with parents. Parent and Family Engagement programs and activities will be coordinated by the school's administrative team, Parent and Family Engagement specialist, and other staff members. These activities will also be integrated with goals from the School Improvement Plan. Community based organizations and businesses will have roles that align with the School Improvement Plan such as mentoring/tutoring students and volunteering as reading buddies for students. School meetings will be provided at various times and various modalities throughout the year.

### Parent and Family Information

Parents will receive various communications about Title I Part A Programs in a timely manner through school messenger, letters, flyers, social media, and the school's website. Parents will receive their child's assessments results throughout the school year. Descriptions and explanations of the curriculum, curriculum outlines, assessment forms, proficiency levels, and state standards will be provided by the child's teacher. Requests for this information can be emailed or written to the classroom teacher. Parents at Webber will be provided opportunities in the decision-making processes during PTO and Title I meetings. Opportunities for parents to volunteer in the classroom can be communicated to classroom teachers through phone, email or scheduled appointments at this time.

### Title I Planning

Parents at Webber Elementary School are encouraged to become members of the Title I planning team. The team is made up of teachers, administrators, community members, and parents. The team evaluates, plans, and develops the Title I plan annually. Meetings will be held at various times. The dates and times will be posted on the school website, on the marquee, and included in the school newsletter.

### Annual Title I Meeting

The Annual Title I meeting will be held at the school within the first 45 days of school. Parents will be notified through the school website, marquee, and school messenger. Parents will be given the opportunity to provide input concerning the Title I school-wide programs, PTO, and SIC. This meeting will address:

- An explanation of Title I
- How the school is using Title I funding
- Parent and Family Engagement Policy
- School-Parent Compact
- Curriculum
- Assessment Data
