

# Communities In Schools®

South Carolina

**Lower Richland High School  
Room K-201**

**Ms. Chinesea Brown  
Site Coordinator**  
**cbrown@cisofsc.org**  
**(803) 814-5360**

## **Surrounding students with a community of support.**

At Communities In Schools, we offer programs that include a variety of services, including school-wide culture campaigns like:

- anti-bullying
- mental health programming and suicide prevention
- fostering a positive school culture for students
- parent engagement

We work with community partners to provide basic needs assistance for resources like:

- food
- clothing
- toiletries
- school supplies

We also work with students on their academic goals, behavioral concerns, and social and emotional needs. This can look like:

- book clubs
- tutoring groups
- character development groups
- mentoring and more
