

Crayton Middle School

May 3, 2021

Dear Parents and Guardians,

I learned recently that we will not be allowed to have an indoor or outdoor gathering of any kind this school year due to safety precautions that continue to be in place. Unfortunately, I was not aware of this decision prior to my April 14, 2021, letter to you regarding our 8th grade end of the year celebration. Please know that while we must follow the safety precautions set, our 8th grade Crayton students will not go unrecognized.

I am excited to announce that Crayton will have individual ceremonies for each of our 8th grade students on June 9, 2021. Students will be called individually to celebrate their successes. Their picture will be made at this time and uploaded so that parents will be able to have a free copy of this moment. Virtual and eLearning students are allowed to stop by Crayton and pick up their certificates.

Please have your students dress nicely this day and be sure to check the Crayton website after June 9th for directions on how to download your student's pictures of this special moment.

We would also like to distribute celebratory yard signs to our 8th grade students. We will have parents pick these signs up (metal stakes and middle school students do not make a great combination). Our pick up day will be June 9th from 3:45 – 4:30. We suggest 8th grade parents use the service road entrance between the 7th grade and Carriage Hill Apartments. Signs will be distributed by the big tree so that we can combine student and sign pick up. Be sure to tell your student that you are picking them up by the tree on this day. Virtual students and eLearning students may want to wait until after 4:05 to arrive as this will cut down on their wait time from after school pick up.

Please know that we are very proud of our 8th grade students and all that they have accomplished at Crayton Middle School. Although these have been challenging times, we will do our best to make your student feel appreciated and accomplished.

Sincerely,

Angela Burns
Principal
