

Watkins Nance Elementary School

2525 Barhamville Road

Columbia, SC 29203

803.733-4321

Principal: Reynard Jefferson

Stem Consultant: Stephanie Long

WHAT IS BLAST?

BLAST is an aerospace, science, technology, engineering, and math focused program that will:

- Encourage students to aspire to careers in aerospace and STEM (Science, Technology, Engineering, and Math) related fields.
- Provide hands-on Project Lead the Way courses through the Launch curriculum.
- Prepare students for advanced academic science and math related courses in middle and high school.

WHY WATKINS NANCE?

Watkins Nance inspires and develops responsible, competent, productive lifelong learners, implementing rigorous cross-curricula enhanced study of science, technology, engineering, arts, and math that promotes creative, critical, and analytical thinking in a safe and nurturing environment.

HOW IS OUR PROGRAM UNIQUE?

- ✓ PLTW/Aerospace teachers and a STEM Consultant on staff.
- ✓ After school and summer enrichment including NASA Astro Camp.
- ✓ Opportunity for students to transition to the BLAST Magnet Program at W.A. Perry Middle School.
- ✓ Transportation Provided
