Parent Consent Form for PSAT/NMSQT

Dear Parents or Guardians,

Your student has the opportunity to take the PSAT/NMSQT as an 8th grade student one time at no cost funded by the Advanced Academic Programs department. Schools will use this assessment to provide guidance and direction for parents and students as they plan for their high school experiences.

Taking the 8th grade PSAT/NMSQT is optional. Students and guardians may choose to take the 8th grade PSAT/NMSQT or they may decide not to test. This test will be administered during the school day. Due to the fluid nature of COVID, more details will be forth coming as we continue to plan for the administration of the test.

If you feel your student is prepared and you want your 8th grader to take the PSAT/NMSQT offered by the district at no charge, please place a check mark in the box beside your choice and return this form to your student's school. If you do not want your 8th grader to take this test, please place a check mark in the second box.
