Dear Parent/Guardian:

Your child is eligible to participate in the Comprehensive Remediation After-school Program. The purpose of the program is to provide extra academic assistance to identified students in all content areas.

This program will be provided free of charge at St. Andrews Middle School. After school instruction will focus on individual student deficiencies and student progress will be shared with you each marking period. The program will start Tuesday, September 14, 2021 and will operate three days weekly- Tuesday, Wednesday and Thursday. The CRP after-school program will not meet on early dismissal days. The program tentatively ends April 28, 2022. The program will run from 4:00 pm -6:00 pm. Transportation and a snack will be provided. Car riders are to be picked up at 6:00 pm.

We believe the CRP After-school Program will be the most effective way to improve your child's academic performance. Therefore, it is essential that your child attend daily. In order to offer all children an effective instructional program, early dismissals are discouraged. Additionally, all students are expected to follow the rules as outlined in the Richland County School District One Code of Conduct handbook. Failure to comply with these attendance and discipline policies will result in your child's dismissal from the program.

Please complete the attached registration and bus transportation request form by Monday, August 30, 2021.

If you have any questions, please contact Mrs. Callie McGill-Thomas, Lead Teacher, at [callie.mcgill-thomas@richlandone.org](mailto:callie.mcgill-thomas@richlandone.org). We look forward to a prosperous Comprehensive Remediation After-school Program this school year.

Sincerely,

Mrs. Jametta Hodges-Stewart
