

Columbia High School is raising money to purchase an electronic marquee to be displayed at the front the school. This marquee will allow us to provide our students, staff, and community with the most up-to-date information related to the school, as well as advertise and celebrate even more of the accomplishments of our students and staff.

We are currently seeking donations to assist with the expense. The total cost for the marquee is over \$31,000. If the school can raise **\$10,000**, the school district has agreed to pay the remaining costs. We are so appreciative of Richland School District One and their willingness help us with this project, but we need sponsors and donations to help to reach our goal.

Some of our sponsorship options are as follows:

Option 1— Gold \$5,000 or more for 3x5 Vinyl Banner in gym and stadium, Marquee advertising for 2 years

Option 2— Maroon \$2,500-\$4,999 for 3x5 Vinyl Banner in gym and stadium, Marquee advertising for 1 year

Option 3— Capital \$1000.00-\$2,499 Marquee advertising for 1 year

Option 4—Donation amount of your choice (No amount is too small.)

*All sponsors and donors will be announced during home athletic events.
