Purpose of the Report

“This Report is issued by the Heyward Career and Technology Center Improvement Council in accordance with South Carolina law to share information on the school’s progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.”

Heyward Career and Technology Center

2020-2021

Annual School Improvement Council “Report to the Parents”

Mission Statement

“Heyward Career and Technology Center provides essential knowledge and skills to make a successful transition from high school to postsecondary education and/or the workplace.”

3560 Lynhaven Drive
803-735-3343

Website: heyward.richlandone.org

SIC Annual Goals

- Increase technical skill attainment to 92%.
- Increase parent involvement to 60%.
- Increase enrollment in Level II classes to 14 students.

SIC assisted with these goals by taking the following steps:

- Served on advisory committees
- Served as guest speakers.
- Provided input on recruitment strategies.
- Participated in parent involvement activities.

Student Achievement

We have 180 potential completers in 2021.

Due to school closures as a result of Covid-19, we were not able to administer industry certification exams in all areas in 2019-2020. However, students are currently preparing for exams which will be administered by the end of the school year.

Career centers in South Carolina have not received school report cards in the past few years.

School Demographics

Enrollment = Approximately 750

81% African American
13% White
6% Other

23 Teachers
(3 National Board Certified)

Additional Information

Heyward serves students from seven high schools and the Richland One Middle College located in Richland County School District One. Students from all backgrounds can benefit from the programs at Heyward—whether they choose to go to college, into the workforce, or to the military.

Athletic Trainer, Engineer, Architect, Automotive Technician, Barber, Make-up Artist, Diesel Technician, Welder, Film and Video Editor, IT Technician, Carpenter, Nurse, Chef...What do these careers have in common? Students can receive skills and credentials that prepare them for these careers and many more at Heyward Career and Technology Center!

The faculty and staff are on a mission! We are committed to changing lives and impacting the future of the global economy by exposing students to opportunities in a variety of career clusters.

Heyward's Annual Plant Sale

Our 2020-2021 Horticulture Plant Sale was a huge success! There was a large turnout on Monday April 26th followed by a steady stream of customers Tuesday April 27th and Wednesday April 28th. The Plant Sale was sold out by the end of the day on Wednesday April 28th. The Horticulture program has four regular attending in person students who helped with the sale along with two students from the fall semester. Our program is extremely thankful for all of the supported given by Heyward, CTE, Richland One (as a whole), and the community ... we are so appreciative!
