

QUICK START GUIDE

CREATE AN ACCOUNT

If you haven't created an account yet, go to:
www.strivescan.com/register

Create an account and a profile for your institution. Then download the StriveScan app from the App Store or Google Play.

UNLOCK THE FAIR

StriveScan is included with your registration, no additional charge. Enter the **4 digit code** that was provided via email or by the Fair Host to unlock this college fair at no additional charge.

PICK A SCANNING MODE

While on the camera screen or in the Settings, you choose which scanning mode you want to use:

► STANDARD

All of the student's information is displayed with each scan. You can take notes on the student and add a rating. Requires a solid internet connection.

► QUICK

Faster: Only the student's name is displayed with each scan. You can take notes on the student and add a rating. Use Quick for offline scanning without internet or to conserve battery.

► TURBO

Fastest: Rapidly scan many students without stopping. No internet connection required.

► SELF-SCAN

Prop your phone up on a stand and let students scan themselves.

TEST SCAN

Scan this test barcode to try it out:

NO INTERNET?

No cell service, no wifi, no problem! Once you download the app, log in, and unlock a fair, you can scan without an internet connection. Use **QUICK** or **TURBO** mode to scan. After the fair, reconnect and reopen the app to sync. Sync *within 24 hours*.

STUDENT DOESN'T HAVE A BARCODE?

Direct students without barcodes to register at:

www.StriveFair.com

AFTER THE FAIR: EXPORT YOUR DATA - DIY

Click the **Export Student List** button anytime and you'll receive an email with the students' information attached as a CSV/Excel file.

AFTER THE FAIR: STUDENTS GET A REPORT

24 hours after the fair, StriveScan sends every student at the fair a summary report of all of the colleges with whom they scanned. Your institution profile and your contact information are included.

WHERE ELSE IS STRIVESCAN AVAILABLE?

+2,000 universities use StriveScan around the world and we're rapidly expanding. StriveScan is available at fairs in the United States sponsored by New England, New Jersey, Pennsylvania, Indiana, Illinois, Missouri, Great Plains, Pacific Northwest, Western, and Hawaii ACACs, plus the National Hispanic College Fairs and international fairs with Linden Tours and the Council of International Schools. Know of other great fairs? Let us know!

ADD COLLEAGUES

If you have colleagues who will be using StriveScan at other fairs you can invite them to join your institution's account. Instructions: www.strivescan.com/invite
