WHAT IS DUAL ENROLLMENT

Dual enrollment is taking collage classes while you are still in high school. These courses can;

- Save you thousands of dollars in tuition costs
- Start earning a college degree in high school

WHO IS ELIGIBLE?

To be accepted into the dual enrollment program, you must be a high school student and meet placement testing requirements.

To **Complete the placement test** (see your school counselor to register for testing)

TUITION AND FEES

There are no “out of pocket” expenses for students and families. The cost of tuition and fees for MTC classes, held on high school campuses, is taken care of by the Lottery Tuition Assistance Program and Richland One.
