Note 1: To be eligible to receive a certificate, students must test in all three subject areas (Locating Information, Reading for Information and Applied Math). In 2017 there were 12 students and in 2016 there were 14 students in the district who did not test in one or more of the required areas. These students are not included in this report.

Note 2: The change is color coded for the levels that correspond to a certificate. Green indicates an increase, red indicates a decrease, yellow indicates no change, and white indicates not applicable (N).

2017 District vs. State
