Note: AP exam scores range from 1 to 5 where passing is 3, 4, and 5. In the change columns, green indicates an increase, red indicates a decrease and yellow indicates no change. Note that the number/percent of exams passed is different than the number/percent of students who passed an exam because students can take multiple exams.

Note: Data may differ slightly from State Department of Education data due to the district exclusion of students who did not attend a Richland One school who are incorrectly included in the AP data or attributing the student to the correct school of enrollment.
