

The background features a light blue sky with several stylized, low-poly clouds in white and light blue. A large, faint circular frame is visible, and a blue arc is on the right side.

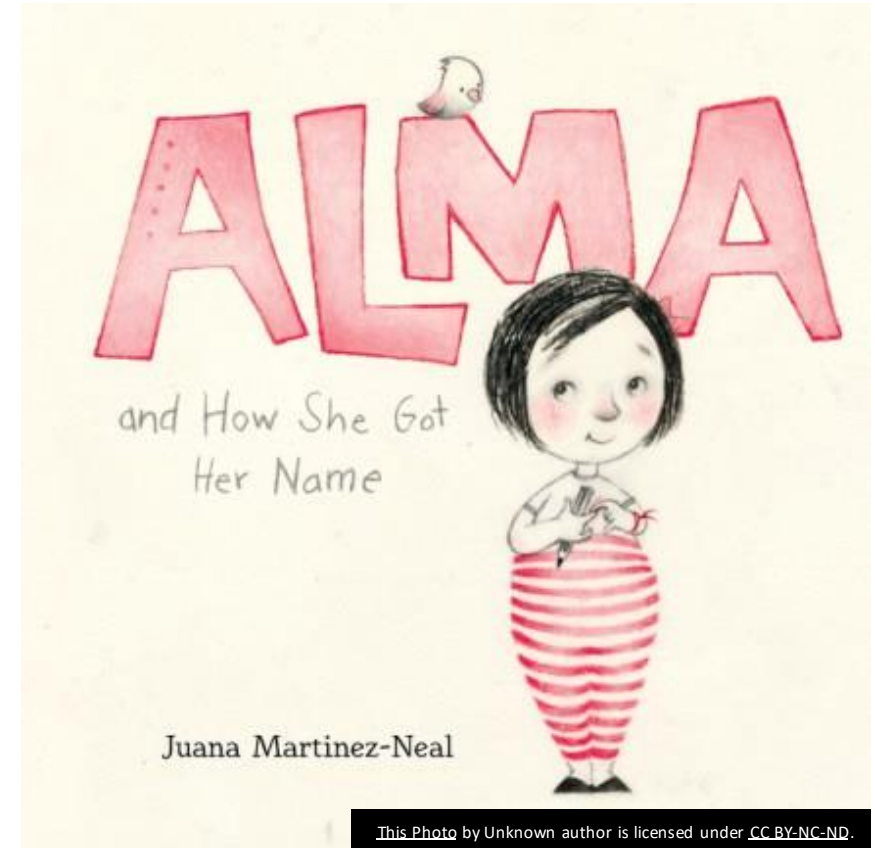

All About Me Word Clouds

2nd grade

About the project

This project is based on the book **Alma and How She Got her Name** by Juana Martinez-Neal. It is the story of a young girl who learns the importance of her names. This project focused on the importance of who we are.

Using prompts, second grade students generated a list of words that described themselves. They used their words to create a word cloud.

- **This project required students to:**
- Create and organize a list of words that describe themselves
- Create a Microsoft Word document in Office 365
- Use basic keyboarding skills to create and save their list in an electronic format. Evaluating words based on their importance.
- Copy and paste their completed document into https://www.abcya.com/games/word_clouds
- Use editing tools to customize their word cloud.
- Save their word cloud to their laptop and upload it to a shared document.

Standards

SC. College and Career Readiness Standards

2-RL.9.2 Explain how words, phrases, conventions, and illustrations communicate feelings, appeal to the senses, influence the reader, and contribute to meaning.

W. 1.2. 2.2. 3.2 Plan, revise, and edit building on personal ideas and the ideas of others to strengthen writing.

W.5.5 Consult print and multimedia resources to check and correct spellings

W.6.4 Locate letter keys on an electronic device to type simple messages

AASL Standards

IV. Curate B. Create: Learners gather information appropriate to the task by: 2. Collecting information representing diverse perspectives. 4. Organizing information by priority, topic, or other systematic scheme.

I. Inquire B. Create: Learners engage with new knowledge by following a process that includes: 3. Generating products that illustrate learning.
