## ROSEWOOD ROCKS THE STATE FAIR!

Every year, Rosewood students receive multiple awards from the South Carolina State Fair. This year was no different. All of the students below had artwork displayed at the fair. The student art show is a juried show, meaning that the art on display was selected by judges as the best of the best. We are all proud of these students and their artistic accomplishments!

Oliver Beets, Nathan Burnside, Charlie Clarkson, Mary Garland Desai, Macy Dubas, Eleanor Floyd, Evelyn Floyd, Hampton Foster, Ben Hutcheson, Eliza Jones, Annabelle Kip, Henry Kneas, Sawyer Kolowith, Liam Palyok, Olive Tayara, Jackson Timberlake, Benjamin West, and Bergen Winchester

The following students won ribbons at the SC State fair:

Jade Cacioppo, Maggie Coggiola, Liesl Dolder, Lucy Hammond, Mae Ligon, Katy Mason, David Maxwell, Emmy Jo Mustard, Sammy Roth, Malaia Williams, and Caleb Wood

Katy Mason's self-portrait won Best in Show in the Elementary 2D division. This is an exceptional honor!

## CLIMATE AND CULTURE SURVEY

Rosewood parents, we need your help. Our school is embarking on the continuous improvement process that will lead to the renewal of our AdvancED accreditation. To begin reflecting on where we are as a school, we would greatly appreciate it if you would complete the Climate and Culture survey for your child's school. This data will help us reflect on where we have strengths and on areas that we may need to improve upon as a school. The survey is anonymous. It can be completed **November 5th through November 16th**. Please be sure to double check that you have selected the proper school from the drop down menu. If you have children in multiple schools, you may complete a survey for each school, just be sure to select the proper school in the drop down menu. Thank you for being committed to our process for continuous improvement. **Parent Link:** <https://eprovesurveys.advanc-ed.org/surveys/#/action/85642/p2576>

Note: The survey link does not function properly with Chrome as a browser. Explorer, Edge, or Firefox will all work fine.

## IMPACT AID SURVEYS

Impact Aid surveys were sent home with student report cards. This survey is very important because it allows our school district to obtain financial assistance based on the number of students who are federally connected in certain areas.

All parents should complete the survey and return it to school no later than November 12.

## MORNING ARRIVAL AND DISMISSAL

The first nine weeks of school is over, and everyone should have their morning routine in place. With over 400 students at Rosewood, most of whom are car riders, the morning carpool lines on Ravenel and behind the school can be challenging. On most days, however, the carpool lines do not become congested until 7:25. Students can be dropped as early as 7:10 a.m., and will be supervised by staff members in the auditorium. If your child is consistently tardy, adjusting your morning routine by only 5 minutes can make a difference in the amount of time spent waiting in traffic. We ask that you work with us to promote student safety during morning drop off. Please remember that Ott Street is not a student drop off location. Students should not be running across Ott Street in the busy morning traffic, walking between cars in the car line or walking through the faculty parking lot. Also, parents should not get out of their cars while dropping children off in the car lines. We appreciate everyone's cooperation in making our carpool line run more smoothly!
