MORNING ARRIVAL AND DISMISSAL

The first nine weeks of school is over, and everyone should have their morning routine in place. With over 400 students at Rosewood, most of whom are car riders, the morning carpool lines on Ravenel and behind the school can be challenging. Please be aware that there are NO PARKING signs posted at the corner of Moss and S. Ott, as well as the block off S. Walker that extends from Rosewood Drive to Hope Avenue. Children who are being driven to school are car riders and should be dropped off in the car line at either the drop off located behind the school or on Ravenel Street. Please do not park in a NO PARKING area to walk your child to the building every morning. To keep the car line moving efficiently, parents should not get out of their cars while in the car line, and students should be ready to exit the vehicle promptly when they reach the designated drop off area.

Also, please be mindful of your speed in our school zone! We have many students who walk or ride bikes to school every day!

PLEASE REMEMBER:

Students who eat breakfast at school may be dropped off at the cafeteria between 7:00 - 7:10 a.m.

Students who are not eating breakfast at school should not arrive before 7:10 a.m., which is when adult supervision begins in the auditorium.

Thank you for your help in promoting student safety during arrival and dismissal times.

FOURTH GRADE VISITS THE MUSEUM

Fourth grade attended the S.C. State Museum at the start of our Earth, Moon, and Sun unit for science. They were able to view a movie in the Planetarium that explained common misconceptions of our solar system, planets, etc., and participated in a 4D experience of Earth's processes, as well as explore the NASA/planet exhibit.

PTO NEWS

- Rosewood has migrated from MySchoolAnywhere to a company called Membership Toolkit. The two companies recently merged. Everyone in MSA will transfer over, but parents will need to re-register with their name and email address. All family and contact information should migrate over. The new website can be accessed by clicking this link (rosewoodschool.membershiptoolkit.com), and there is an app that can be downloaded to give mobile access to the directory.
- We would like to thank everyone to who worked so hard to make our Fall Carnival such a fun night for our students! This night would never be possible without so many wonderful parent volunteers!
