

Full S.T.E.A.M. Ahead @ Gadsden Elementary

April 23, 2021

Dear Parents/Guardians,

It is with great excitement that we announce that Gadsden Elementary is hosting a Summer S.T.E.A.M Program for ***rising first through fifth grade students***. The program will feature hands on activities that integrate reading, science, technology, math and the arts. We have an action-packed program lined up that is sure to energize your child with a strong interest in learning and exploration.

The anticipated time and dates for this camp are: Monday-Thursday 9:00am-1:00pm, June 21-24, June 28- July 1, and July 12-15, 2021. **This letter serves as an interest survey for planning purposes only.** You will be notified with further details once plans are finalized. Please keep in mind that space will be limited per grade level and you will be responsible for transportation.

You can respond by using the link or QR Code listed below, or by calling the school and requesting a hard copy to be sent home with your child. You may include more than one child on the same form.

****Please note that this program cannot take the place of the Reading Camp that is offered to priority students mandated by the district.***

If you have any questions, feel free to contact Sharon Fullard at sharon.fullard@richlandone.org .

Thank you and we hope that you consider allowing your child to participate.

Sincerely,

David Thorpe, Principal

Sharon Fullard, Program Coordinator

_____ I am interested in my child attending Gadsden's STEAM Program. I understand that if my child receives an invitation to ***Richland One's Reading Camp***, they are unable to attend the STEAM program as a replacement. I also understand, that I will be responsible for transportation if my child is invited to attend the STEAM Camp.
