RICHLAND ONE BUSES TO PROVIDE WI-FI HOTSPOTS FOR STUDENTS

Richland One will use Wi-Fi-equipped buses to help provide Internet access to students while schools are closed.

Starting Thursday, March 26, buses will be stationed at nine sites across the district (other sites may be added later). Students and parents can sit in their vehicles within 200-250 feet of the buses to access free Wi-Fi from 10 a.m. – 1 p.m. Monday through Friday at those locations. The buses will be parked in front of the buildings or in other prominent areas at the designated sites. Students and parents will not be able to board the buses.
