For the health and well-being of those around you, ASK these questions EVERY DAY BEFORE leaving home.

Have you or has anyone in your household had any of these symptoms in the last 24 hours?

1. New/worsening respiratory symptoms* (cough and/or shortness of breath)

4. Loss of smell or taste*
5. Two or more of these symptoms*:
 - sore throat
 - chills

 - nasal congestion
 - fatigue
 - muscle pain or body aches

*New symptoms are different than symptoms of ongoing health issues such as asthma, allergies, reflux, or COPD.

If you answer YES to any of these:

- Do **NOT** go to school/work. You and everyone in your home should isolate at home until cleared to return to school/work.
- Contact your school/supervisor.
- Call your healthcare provider or SC DHEC Care Line at 1-855-472-3432.

If you answer NO to all of these:

- Go to school/work.
- Continue to monitor your health.

IF you or anyone in your household:

1. Is **WAITING** for COVID-19 test results,
2. Is **DIAGNOSED** with COVID-19 by **TESTING POSITIVE**,
3. Is **DIAGNOSED** with COVID-19 by a healthcare provider but is **NOT TESTED**,
4. Has been told by **SC DHEC** to **ISOLATE**, or
5. Has **SYMPTOMS** (above), has **NOT SEEN** a healthcare provider, has **NOT BEEN TESTED**, and is monitoring symptoms at home,

You or someone in your household has or may have COVID-19:

- Do **NOT** go to school/work.
- Communicate with your school/supervisor.
- Visit **SC DHEC online for information:** sdcdec.gov/infectious-diseases/viruses/coronavirus-disease-2019-covid-19
- The **COVID-19 patient must ISOLATE at home until recovered**, defined as:
 - (1) at least 10 days have passed since the first symptom, AND
 - (2) 24 hours have passed since fever, vomiting, AND diarrhea stopped (without medicine), AND
 - (3) other symptoms have improved.
- **Everyone in the household**, who has not had COVID-19, must **ISOLATE at home** until
 - (1) the patient has recovered (see above), AND
 - (2) 14 days have passed since the last recovery.

Have you been in close contact (within 6 feet for more than 15 minutes) with a person who has been diagnosed with COVID-19 while the person was contagious (48 hours before symptoms began through recovery)?

You have been exposed to COVID-19:

- Do **NOT** go to school/work.
- Communicate with your school/supervisor.
- You must **QUARANTINE at home for 14 days**.
- If, at any point, you develop symptoms, **ISOLATE** and call **SC DHEC Care Line** at 1-855-472-3432.

- An employee may return to work earlier if a doctor confirms that the employee's illness was not COVID-19 related. The doctor must provide the employee's release to return to work in writing.
- An employee who experiences fever and/or respiratory symptoms while home should not report to work. Instead, the employee should contact his or her immediate supervisor for further direction.

Welcome back Tigers!

We are returning to Hybrid on Monday, February 1, 2021. We are so excited to see you again at school. Remember, please don't arrive on campus before 8:15 am. That's when we arrive at our duty posts. When you do arrive, have your mask on, making sure both your nose and mouth are covered. Also, stay six feet apart. This will help you socially distance.

Parents, use the provided guide to check your child's health daily before they leave home for school.

When it's time for dismissal, remember, all students should be picked up at 3:45 pm.

We will see you soon!

MOVING FROM HYBRID TO eLEARNING

If you have decided that you want your child to move from being a Hybrid student (those who come to school on Cohort A Days or Cohort B Days) to being an eLearning student (those who login daily and learn from home), please email Mrs. Smith, our principal, at andrenna.smith@richlandone.org for approval. Failure to do so will result in your child being marked as absent. Current eLearning students do not need to be reapproved.

eLEARNING STUDENTS RETURNING TO SCHOOL

If your child is an eLearning student who wishes to return to Hybrid, please email Mrs. Smith, our principal, at andrenna.smith@richlandone.org for approval and to receive an entry date and cohort assignment.

Tomorrow's basketball games are going to be streamed on Alcorn Middle School's YouTube Channel. See below for link.
