

TIGER UPDATES

May 10, 2021

May 10, 2021

Dear Tiger Families,

Usually I start this letter with how wonderful the year has been. Well, not this year for it has been tough. We started the year with a theme of being in a Whole New World. Little did we know what this whole new world would come to be. Now the school year is coming to an end. As I look around, I see shields, green tape, masks, gloves, covered water fountains, lunch in the classroom, and social distancing signs everywhere. Still, I see learning, patience, caring, community support, and increased understanding for the needs of others. I see unity. I see WeAreSanders. There are still lots of tough days, but there are still lots of supportive parents, grandparents, teachers, and staff, administrators, and community members who are still striving to make our school a success. We appreciate the strong support of all.

It's that time of year when ask for your feedback. Section 59-18-900 of the Education Accountability Act requires that annual school report cards include "evaluations of the school by parents, teachers, and students." Parent perceptions as collected in the Parent Opinion Survey appear on our school report card and provide school staff with insight to issues within our school. Additionally, results from the Parent Opinion Survey are used by the Education Oversight Committee to meet the requirements of Section 59-28-190 of the Parental Involvement in Their Children's Education Act.

Please complete our W. G. Sanders Middle School Parent Opinion Survey by: June 1, 2021.

To access the Parent Opinion Survey click on this link: <https://ed.sc.gov/surveys/parent-survey/>

Once at the survey, choose either the English or Spanish version of the survey to complete. Families should complete only one survey for each of their children enrolled in public school.

Next, enter the seven-digit ID of our school. The ID for our school is 4001034.

Before opening the survey, the name of the school will appear, and you will be asked to confirm you are completing the survey for the correct school.

Each school where your children are enrolled will provide you with their school ID.

The survey is anonymous, but if you feel uncomfortable in responding to any question you may skip that question. The survey will note that a question has been left unanswered, but you can click continue to proceed without answering the question.

Your time and effort in completing this survey is greatly appreciated. Again, thank you for an unforgettable year!

Love,

Andrenna Smith
Principal

STAR Testing is complete. Talk with your child's ELA and Math teacher to discuss learning gains during this school year.
