CHANGE IN DISTRICT CALENDAR		STAR TESTING					
<p>Wednesday, December 2, 2020 will be an early release day for students. Teachers will engage in professional development the second half of the day. Friday, December 4, 2020, which was designated as an early release day, will be a regular full day for students and staff.</p>		<p>All students will take the second round of the STAR assessments beginning December 1st. CONGRATULATIONS TO MR. DARREL DANAY

Mr. Daney never dreamed that he would one day teach dance. His ambitions were to perform, choreograph dance, be a part of a professional dance company, and one day build his own studio. However, shortly after graduating from Coker University, he was hired by the RL Dance Company and began offering private lessons to a student who was preparing for 2017 Special Olympics World Dance Competition. After a successful long journey with his student, he realized he wanted to make a difference in the lives of young children. We are so honored that he is making a difference with us, at W. G. Sanders Middle School. We love you, Mr. Daney!
