- Students will have four (4) core course classes per day, every day.
- Students will have related arts on an A-Day/B-Day schedule. For example, a student will take Drama on A-Day and PE Semester 1 on B-Day.
- Students must be logged into their class on time for each period. However, they will not necessarily be doing work on their laptops the entire time.
- ESOL and Special Education educators may collaborate with core teachers to provide instructional support to students.
