

# August

## Teacher of the Month

### Amy Pederson

*Ms. Pederson is always a joy to be around. She's friendly to every student even if you're not in her class. She always wants the best for her students. She keeps her class engaging and fun while we are learning. Ms. Pederson is really nice and understanding. She makes class fun and I always look forward to her class. She inspires her students. She is really nice and I know that I can talk to her about anything.*
