Teacher of the Month

Engrid Brooker

Mrs. Brooker is a fair and fun teacher. She is someone that you can always talk to. She is very helpful and professional. She is always there when you need help. She helps with anything and everything. She is sweet and understanding. She is the most caring, loving and intelligent teacher. She helps students so much and she's just a great person to be around. Her energy is amazing. She has dedicated her life to representing what a Diamond Hornet should be. She dedicates her time to help all students, even the ones that don't take her. She gets zero breaks because she's always putting others before herself. She doesn't expect any reward for her passion, but I feel that she should be celebrated for her 20+ years here.
