

SC COLLEGE & CAREER DECISION DAY

SC College & Career Decision Day will celebrate all students' plans after high school, whether deciding to attend a higher education institution, training program, join the military, or enter the workforce.

College and industry representatives, state legislators and local celebrities will participate and support students as they take charge of their futures.

A true celebration, **SC College & Career Decision Day** will show our students we are proud of their achievements, invested in their futures, and excited to see what they do next.

Tuesday,
May 2, 2023

10 AM –
12 PM

SC Statehouse,
1100 Gervais St.
