

Parents and Guardians,

We want to welcome you again to what is bound to be a successful year for Lower Richland High School. Educating your child remains our top priority.

We have adjusted our lunch schedule to ensure that students have ample time to eat, relax, and mentally prepare for the second half of the day. To help your child make the most of this time, please encourage them not to wait until the last minute to get in the lunch line. Waiting until the end of the lunch period could result in being late to their next class.

Thank you for your support in ensuring a smooth and productive school day for all our students.

Best regards,

Latayna Williams
