

DE@MTC

With DE@MTC, high school students can get a jump on a college degree or a career while meeting high school graduation requirements.

Why DE@MTC is right for you.

How do I enroll?

| HOW THEY COMPARE | DUAL ENROLLMENT (DE) | ADVANCED PLACEMENT (AP) |
|---|-------------------------------------|--------------------------------|
| Boosts GPA due to heavier weighting | ✓ | ✓ |
| Stands out on college applications | ✓ | ✓ |
| Saves time and money | ✓ | ✓ |
| Awards college credit | Must pass course with a C or better | Must score high on the AP Exam |
| Classes completed in one semester | ✓ | |
| Explore different possible majors and careers outside typical high school offerings | ✓ | |

1. Work with your school to get approval to come to MTC and take Dual Enrollment classes on one of our six regional campuses.

2. Find out if you're in a district that offers DE classes at your high school.

3. Take Dual Enrollment courses that are available through an online (asynchronous) or virtual (synchronous) delivery mode.

Please see your high school counselor to find out which option is best for you. Also, your MTC dual enrollment counselors are always ready to help.

Thanks to the South Carolina Lottery Tuition Assistance Program and South Carolina Workforce & Industry Needs Scholarship, most students can take dual enrollment courses for **FREE!!**
