A MESSAGE FROM THE SUPERINTENDENT

April 3, 2017

Thank you for your interest in Richland County School District One's Summer Camp, Enrichment and Academic Programs! We are pleased to present to you our exciting menu of offerings to fill your child's summer with adventure, discovery, academic enrichment, fitness, STEAM, college preparation, credit recovery and everything between.

This year, our Summer Camp and Enrichment Programs will operate over a seven-week span. Many of the programs will surround specific session themes. To ensure the programs meet your scheduling needs and your child's diverse interests, you are welcome to combine as many programs as you would like and take advantage of our early-bird and extended childcare options.

This user-friendly guide will help you plan your summer and provide you with a framework of program offerings, criteria, and features.

You are encouraged to register early. District-wide registration will be open Monday, April 3 through Monday, May 15, 2017. Please visit our website for detailed descriptions of each camp, enrichment or academic program and to register: www.richlandone.org.

We hope you will explore, discover and soar with us.

With warm regards,
