

eLearning Pre-K 2019-2020

Please see the standards-based activities to complete with your child on the eLearning Day. Have your child complete these activities at home to count as attendance for the day we would have spent at school.

Child's Name: _____

Teacher _____

Directions for the following dates:

March 17, 2020 – March 31, 2020

Attached are 10 days of lesson plans that were created for your Pre-K student. Please follow the directions outlined for the first 5 days! In those directions, you will find your child is asked to choose a portion of the activities. Once you have completed the first five days, the next five days (6-10), your child will need to complete the assignments they did not choose. For example: Day One, if you chose ELA activities 1, 2, and 3, and Math activities 1, 2, and 3. Day 6, you will complete the remaining Day 1 ELA activities, 4, 5, and 6 and Math activities 4 and 5.

Thank you in advance for your patience and flexibility. Stay safe and well!

If there are any questions, please feel free to your child's teacher via email and/or Class Tag.
