Diamond Mine Time

- Small groups, 1:1 on assistance and tutoring as scheduled by teacher and/or student. Appointments recommended.
- Tier 2 and Tier 3 interventions as needed.
- This time can be utilized for teachers to re-teach, make up assignments, tests, quizzes, and address social and emotional issues.
- Students enrolled in AP and IB courses will still be held accountable for internal and external assessments to earn college credit. To ensure that students are prepared and teachers meet the hours of instructional requirements set forth by the College Board and International Baccalaureate, these students will be required to have extended virtual meeting time.

Students have a 30-minute break between classes to use the restroom and get prepared to log into MS teams for their next class.
