Dear Friends,

Hi! Welcome to our class! It was so nice to meet you today and I'm so glad you're going to be in our class. I am looking forward to seeing you again in August! Your new friends will help you get to know all about our Lower Elementary classroom, our procedures, and our routines. We will all do our best and have a great year together.

Today you also met Mrs. Timbes. She has been working with our class for 13 years! She is married and has two daughters, and both are former Brockman Bears. Her oldest daughter graduated from Wofford. Her youngest will be a junior at Furman.

Ms. Priester is our Foster Grandparent volunteer. She helps our class with reading, writing and other activities. Ms. Priester has been working with our class for about 11 years.

This will be my 24<sup>th</sup> year teaching at Brockman. I have three boys and all of them came to Brockman. My oldest son is 26 and I have twin boys that are 21 years old. Mr. Geiger is PreK Special Education a teacher.

I hope you have a really fun summer! My family enjoys relaxing at home, riding bikes, walking our dog, watching movies and hanging out together during the summer. What is your favorite summer activity? What books will you read this summer? Do you visit Richland Library to check out books? Mrs. Timbes and I love the library and reading books to the class.

See you in August!

Sincerely,

Mrs. Geiger, Mrs. Timbes & Ms. Priester
