

Dear C-5 Students,

Welcome to the new school year! We are so excited to have you join our community.

A little about Mrs. Tison: I have a husband, three adult children, and one grand baby girl. I love to read and paint and walk around my neighborhood. I have been teaching at Brockman for 22 years.

A little about Ms. Peay: she has two adult children and three grand babies. She loves to read, shop and spend time with the grandchildren. Ms. Peay has been at Brockman with Mrs. Tison for 21 years

First graders:

You will learn many new things this year in math and language. We will also color, paint, play games and go to recess each day, unless it is raining. You will meet a lot of new friends and sometimes you may get to play with your friends from Primary. We will help you learn everything you need to know, so don't be nervous.

In Lower Elementary you will have your own locker to put your book bag and coat in each morning. We would like for you to have a zip up book bag to keep all your important papers from falling out, but you will not need a rolling book bag.

We are looking forward to an awesome year and we are honored to be your new teachers.

Sincerely,

Mrs. Tison and Ms. Peay
