Welcome new families! I am looking forward to having your child in our classroom next year. This will be my fourth year at Brockman. I am married with two children. My son will be in 8th grade at Crayton and my daughter will be a 5th grader at Brennen. In my spare time (which is not a lot with kid's sports/dance) I love to go to the beach, grill out and workout. My family are avid Gamecocks fan so we attend all football, basketball, and baseball games. It is going to be a fun year!

~ Mrs. Powers

Dear Students and Parents,

I am looking forward to a wonderful, 2023-2024 school year! We are going to have some great experiences this school year! I excited to explore and expand our outdoor classroom, make a lot of observations, go on field trips, hatch chickens and working with our community and Mrs. Harris' class!

I am excited to get to know each one of our new families and to continue to learn more about our current families!

Here is a little bit about me!

- My family and I love to go on adventures! We enjoy hiking, traveling, and we do a lot of different sports! I have 5 kids! My stepson is going to be a sophomore at AC Flora and my stepdaughter is at Crayton. Wolfe is going to be a 1st level at Brockman, Creek is joining us as a cub, and Vale just turned 1!
- I completed my undergrad from Clemson University in elementary education. I have my Masters of Education with a focus in Lower Elementary Montessori from Lander. I have been working in Montessori Education for 14 Years. I love to learn and currently I am pursuing certification in becoming a forest school guide!
- I love teaching students all subjects, but science and cultural are my favorite subjects! I love having animals in the classroom and sharing different experiences with students!
- In my spare time I like to run, walk, or practice yoga.
- A few of my favorite things are: Coffee, fresh flower, holiday celebrations, and surprises!

Please don't hesitate to reach out if you have any questions or if you need anything at all! I look forward to working with all of our families during the 2023-2024 school year!

Mrs. Wentzky

School Supply Checklist

Mrs. Harris and Mrs. Wentzky
