

# Brockman Elementary School

Hello Brockman Families,

I hope everyone has had a restful and awesome summer of adventures and sunshine! I can't wait to hear about all the things you did. I just want to say a quick hello to my returning families and a quick welcome to our new 2024-25 Brockman family members!

For those of you who don't know me, my name is Missy Sawyer, and I will be your child's teacher for the upcoming school year. I have been a teacher for 30 years now and a Primary Montessori teacher for the last 21 years. I am starting my sixth year at Brockman. I received my Montessori training from Lander University and am certified through the American Montessori Society in Early Childhood.

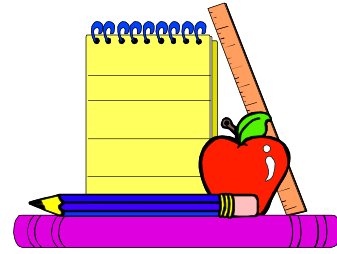

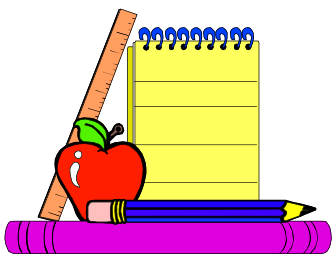

I have lived in Columbia for a long time. My husband and I raised our 4 boys here and one of our two daughter-in-loves grew up here too. We became grandparents for the first time this summer! We love to go on adventures – camping, kayaking, bicycling – anything that involves the beach, nature, or food! I tend to forget where I put my things, so don't be surprised when your child tells you how often they help me find lost items! I have a great infinity for all things that involve breath – breathing, yoga, etc. I love to share the knowledge and your children will become amazing breathers!

I am very excited about our upcoming new school year, and can't wait to meet our newest little people. You will also get to meet Ms. Anthony, the other teacher in our room – she is the most fabulous person! This year will be another adventurous year filled with opportunities to learn and to grow, academically, socially, and emotionally. So, hold on tight and enjoy the ride!

I look forward to seeing you all soon!

Missy Sawyer
