

Pine Grove Elementary School

Dr. Tracy Pickett
Principal

Dr. Wendy Fanning
Assistant Principal

Dear Parent and Guardians,

Next month your 3rd-5th grade child will begin testing and we need your help to get students ready and excited to show off all that they have learned. Let's work together to make sure your student has a positive experience. The following are the testing dates for SCREADY state testing:

- **SCREADY - Reading and Writing: May 7th & May 8th**
- **SCREADY - Math: May 14th**
- **SCREADY - Science: (Grade 4 only) May 16th**
- **SCREADY - ELA Field Test**

Here are some tips for helping your child feel relaxed and ready to rock the test:

- Get a good night's sleep the entire week of testing!
- Eat a healthy breakfast every morning!
- Make sure to get your child to school on time!

Students who bring cell phones to school are required to drop them off in the main office to be locked up. They can pick them up at the end of the day.

We are very proud of the work that our students have done and the progress that they have made this school year. Speak to your child about the importance of doing their best and making the Pine Grove family proud of all they have learned this school year. Encourage them to take their time but use their time wisely.

If you have any questions regarding testing, please don't hesitate to let us know.

Thank you,

Camilla Mack-Whaley
Testing Coordinator
