

DLE - Digital Learning Environment

10 Things Parents and Students Need to Know

- 1. All incoming ninth graders will receive devices during the first week of school. Students will also receive a new backpack with their device.**
- 2. Returning secondary students (grades 10-12) will receive their devices during regular orientation schedules established at the school. They will receive the same device issued to them last school year.**
- 3. Middle school students will begin receiving devices August 31 with distributions continuing until the first week of October. All students will receive a new backpack with their device.**
- 4. Elementary students in grades 3-5 will begin receiving devices in January 2016 with distributions continuing through March. All students will receive a new backpack with their device.**
- 5. A \$30.00 insurance cost is required for all students in all grades annually. This should be paid in advance of the device distribution at the school office.**
- 6. Parent and student orientation meetings will be held at each school prior to the distribution of devices.**
- 7. Students are expected to bring their device to school each day, fully charged.**
- 8. Students are responsible for caring for their device and following the district's guidelines and policies for Internet use (AUP).**
- 9. All devices are the property of Richland School District One.**
- 10. All devices will be collected at the end of school year for maintenance and upgrades. They will be returned at the beginning of the next school year.**

**Backpacks will not be returned. They become the property of the individual student.
