On Friday 8th Sharlene distributed the remainder of the T-shirts to the folks who did not receive them.

Sharlene was approached by a teacher requesting if PTO can provide them with supplies. As it pertains to dues Oona made a comment stating that teachers should also participate in paying the \$5 dues as a help due to her seeing that done at other schools she attended.

Nichael brought up when will minutes be updated on the website by Mrs. Thigpen. Sharlene stated that Mrs. Thigpen has a lot on her agenda & someone will be trained on how to update the minutes on the PTO website.
